Sponsorship Package & Vendor Prospectus

What is Resurrection?

Each year, the Resurrection Youth Ministry Retreat brings together approximately 4,000 students and leaders for a powerful weekend of worship, teaching, and connection at the LeConte Center. Participants have intentional opportunities to engage with the exhibit hall before and after scheduled sessions, allowing for meaningful interaction with ministry partners.

Why should you join us?

Youth pastors and leaders are continually seeking trusted resources, curriculum, and tools that will support their students and strengthen their ministries throughout the year. The Resurrection Youth Ministry Retreat provides a unique environment for leaders to discover new ministry resources, build relationships, and connect with organizations that share a heart for reaching the next generation.

We invite you to partner with us as a sponsor for this impactful event. A variety of sponsorship levels are available, offering meaningful ways to connect with students and ministry leaders alike.
